

Cupboards **for** storage and transfer

> EVOLYS range

The Evolys range of cupboards is designed to meet the requirements for **storing medicines and medical supplies on wards.**

The layout of cupboards is compatible with the 600 x 400 format, with shelves, drawers, containers and baskets capable of being divided and identified for both mobile and fixed storage.

The storage cupboards can be fitted with a transfer frame making handling and transportation inside and outside and transportation from the pharmacy to care wards easier.

The cupboards are supplemented by the 600 x 400 medicine dispensing trolleys from PraticDose (Evolys - Optiméa ranges).

> the benefits

- Optimum usable volume for large capacity
- Light and robust construction for easy handling
- Available in mobile, transfer and fixed versions, with open or closed structure
- Materials resistant to corrosion and to disinfecting products.
- 600 x 400 compatible
- 2 colour options: blue lagoon or raspberry
